A **Home Equity Line of Credit (HELOC)** is a type of second mortgage that provides access to the equity in a home on an as-needed basis, often with a variable interest rate. The home is used as collateral against the line of credit. Similar to a credit card, as the outstanding balance is paid down, the amount of available credit is replenished.

If you have an open HELOC with us, browse the topics below for information and answers to common questions. Anytime you need support with your HELOC, please contact us. We'll be happy to help!
